

The screenshot shows the 'Team Cambridge Database Manager' application. The 'Data' tab is selected, and the 'Tables' section is active. A table with 4 columns (RiderID, Forename, Surname) and 7 rows of data is displayed. An arrow points from the 'DatabaseViewWidget.py' file in the File Explorer to the table in the database manager.

	RiderID	Forename	Surname
1	1	Peter	Millard
2	2	Paul	Millard
3	3	Ian	Millard
4	4	Trever	Kimber
5	5	Trever	Avis
6	6	Kevin	Parker
7	7	Danyell	Parker
